Catalog Number:
UC04A3720-BX2 -1- (Red or Green)
Catalog Number:
UC04A3720-BX2 -2- (Red or Green)

INTENDED USE
Ideal for building code and supplementary applications, including those requiring attractive, quick installation exit signs. Perfect in areas where electrical wiring is difficult, unavailable or not suitable. NO WIRING, NO ELECTRICITY, and NON-RADIOACTIVE.

CONSTRUCTION
Made of High-Quality Aluminum sheeting. The All-Aluminum box housing is impact-resistant, water-proof, corrosion-proof, and flame-retardant. The High-Brightness photoluminescent material is applied directly onto the aluminum box without the use of resin or plastic. It is non-radioactive, non-toxic, flame-retardant, high temperature resistant. Proprietary technology provides uniform illumination across the sign.

INSTALLATION
Universal (Top and End/Edge) bracket mounting, Housing secures to the mounting bracket with 4 screws. Surface mounting with 4 screws. Install photoluminescent EXIT signs only in locations, where an external illumination source is present, is deemed reliable and is supplied by a circuit not controlled by automatic timers or sensors and whose controls are only accessible to authorized personnel. This reliable external illumination source is to be energized at all times during building occupancy.

LEGIBLE VIEWING DISTANCE: 50 feet

CHARGING LIGHT SOURCE
5 foot-candles of fluorescent illumination must be present on the sign face at all times during building occupancy. With exposure to this light source for 60 minutes the sign will be legible in total darkness to observers standing 50 feet away from the sign, for least 90 minutes after all light has been extinguished.

OPERATIONAL LIFE EXPECTANCY: 20 YEARS +
Product longevity depends on maintaining the original integrity of the product.

LISTING
UL Listed 924 (standard) meets and exceeds the observation visibility criteria required for UL-924 "Emergency Lighting and Power Equipment" meets NFPA Life Safety Code 101 requirements.
ULC Listed to ULC/ORD-924-02 for Canada

WARRANTY
5 years Manufacturer's Limited Warranty against material defect and workmanship.

PRODUCT CARE: Periodically clean the sign facing with a damp cloth, and conduct periodic inspections to ensure the sign is clean and visible.
